Aditya Nagar, ADB Road, Surampalem - 533437

Date: 20/10/2021

To
The Principal,
Aditya College of Engineering & Technology,
Surampalem.

Sir,

Sub: Request for the approval to organize a guest lecture on "Rhetoric art in Public Speaking" - Reg.

This is to bring to your kind notice that, The Language club in association with ICC, we would like to organize a guest lecture on "Rhetoric art in Public Speaking" to teach the students about speaking skills on 25/10/2021. Hence, we kindly request you to please give your approval for organizing the program.

Thanking you Sir,

Yours sincerely

P.A. Sravanthi,

Co-ordinator
(Language Club)

Report on One Day Program on “Rhetoric Art in Public Speaking – 2021”

Date of the Event : 25th October 2021
Name of the Event : Guest Lecture on “Rhetoric Art in Public Speaking”
Venue : Seminar Hall, 2nd Floor, C.V.Raman Bhavan
Guest Speaker : Dr. M.S.C. Sophia

A One day program was conducted on “Rhetoric Art in Public Speaking” on 25th October 2021 at Seminar Hall, C.V. Raman Bhavan for II B.Tech students. Ms. Geetha, Student of II ECE welcomed the guest Dr.PuliDanaiah, HOD, Mechanical Engineering Department and all the students to the gathering. The resource person for the event was Dr.M.S.C. Sophia, Professor of English, Aditya Engineering College, Surampalem. After the brief introduction of the resource person, she took reins of the event. She explained about Public Speaking skills and how to behave in public gatherings. She also explained how it will be helpful to enrich communication skills and importance of dressing on different occasions. Ms. G.Meghana, Student of II ECE concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

To
The Principal,
Aditya College of Engineering & Technology,
Surampalem.

Respected Sir,

Sub: Request for the approval to organize STTP for training students in Foreign (Spanish) and National (Hindi) Languages – Reg.

This is to bring to your kind notice that, The Language club committee would like to organize a Short-Term Training Program for 2nd year students to train students in a foreign language and our national language for 2 weeks from 22/11/2021 to 04/12/2021 to improve their communication skills. Hence, we kindly request you to please give your approval for organizing the program.

Thanking you Sir,

Yours sincerely

P. Anantha Sravanthi,
CO-ORDINATOR,
Language Club.

ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for success through its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering & Technology

Aditya College of Engineering & Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

ABOUT STTP

Foreign languages provide a competitive edge in career choices: one is able to communicate in a second language. Foreign language study enhances listening skills and memory. Foreign languages expand one's world view and limit the barriers between people: barriers cause distrust and fear.

Hindi is the most commonly spoken language in India, which solidifies its place as one of the most important languages of south-east Asia.

Hindi is spoken by around 260 million people across the globe as a native tongue, with another estimated 120 million people use Hindi as a second language in countries such as India and Nepal.

Due to its vast number of speakers, Hindi is considered to be the fourth most-spoken language in the world, behind languages such as: Chinese, Spanish and English.

RESOURCE PERSONS

Dr. N.Rajeswara Rao,
Associate Professor, H&BS, ACET
Ms. Sneha M. Joseph
Assistant Professor, ECE, ACET

ELIGIBILITY

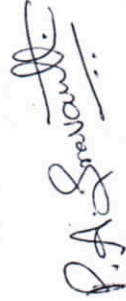

The course is open to all 2nd year students

Report on Short Term Training Program

Duration of the Event: 22/11/2021 to 06/12/2021

Name of the Event: Short Term Training Program

Venue: Room No-218

Timings: 3.30 P.M to 4.30 P.M

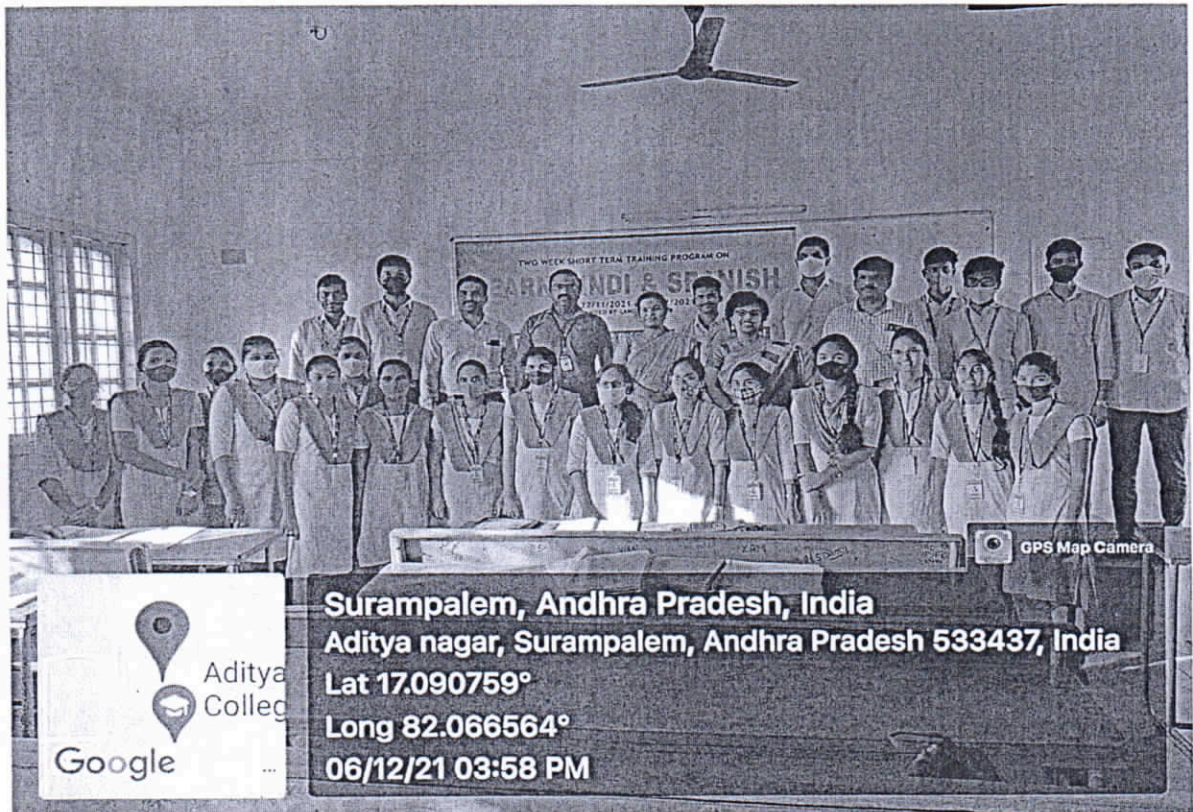

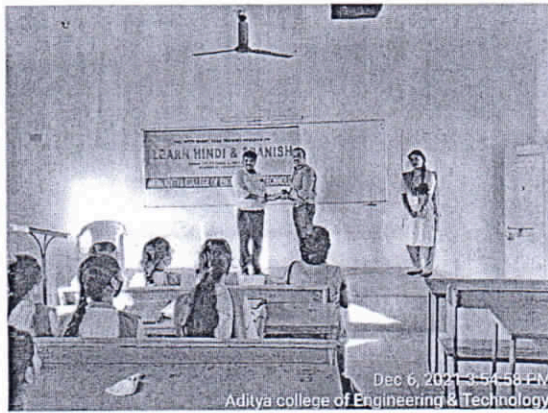

A Two week program was conducted on "Let's Learn Spanish&Hindi" from 22/11/2021 to 06/12/2021 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Dr.N.Rajeswara Rao, Associate Professor, H&BS, ACET, Surampalem and Ms. Sneha M. Joseph, Asst.Professor, ECE, ACET were the resource persons. Ms. Thanuja, Student of II ECE initiated the programme and welcomed the guests and all the students. The Spanish classes by Dr.N. Rajeswara Rao commenced from 22/11/2021 to 27/12/2021 followed by Hindi classes by Ms.Sneha M. Joseph from 29/12/2021 to 06/12/2021. On 6th December 2021 a Test was conducted and feedback was taken by the students. Ms. Geetha, Student of II ECE concluded the session with vote of thanks. The guests were honored with a memento as a mark of gratitude for accepting the invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Foreign languages provide a competitive edge in career choices whereas Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme. The students were divided into 2 batches based on the language they selected. One batch for Spanish and other batch for Hindi.

The basic conversation skills in the corresponding language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.

Report on One Day Program on “English Communication – Employability skills”

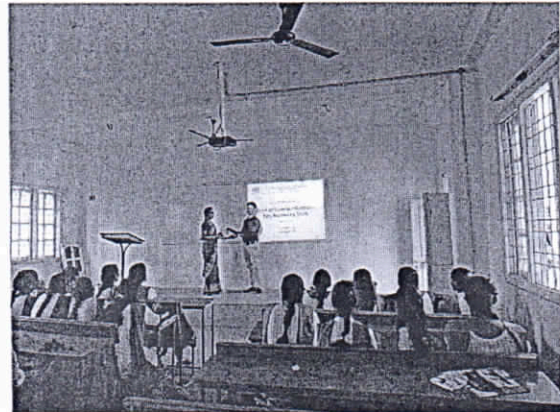

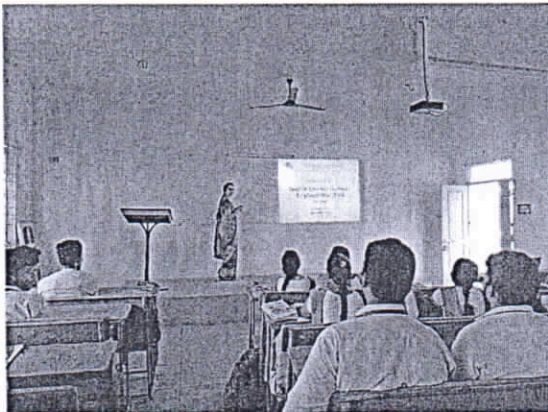

Date of the Event : 15th July 2019

Name of the Event : Guest Lecture on “English Communication – Employability skills”

Venue : Seminar Hall, 2nd Floor, C.V.Raman Bhavan

Guest Speaker : Ms. S.Sailaja, Asst. Professor of English, H&BS, GIET

A One day program was conducted on “English Communication – Employability Skills” on 15th July 2019 at Seminar Hall, C.V. Raman Bhavan for II B.Tech students. Ms. Prajwala, Student of II ECE welcomed the guest and all the students to the gathering. The resource person for the event was Ms.S. Sailaja, Asst. Professor of English, GIET, Rajahmundry. After the brief introduction of the resource person, she took reins of the event. She explained about Importance of English Communication for Employability. She also explained how to improve skills to face the interviews. Mr. K. Bhanu Teja, Student of II CSE concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for success through its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering & Technology

Aditya College of Engineering & Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

ABOUT STTP

Foreign languages provide a competitive edge in career choices: one is able to communicate in a second language. Foreign language study enhances listening skills and memory. Foreign languages expand one's world view and limit the barriers between people: barriers cause distrust and fear.

Hindi is the most commonly spoken language in India, which solidifies its place as one of the most important languages of south-east Asia.

Hindi is spoken by around 260 million people across the globe as a native tongue, with another estimated 120 million people use Hindi as a second language in countries such as India and Nepal.

Due to its vast number of speakers, Hindi is considered to be the fourth most-spoken language in the world, behind languages such as: Chinese, Spanish and English.

Date: 16/02/2020

Report on Short Term Training Program

Duration of the Event: 03/02/2020 to 15/02/2020

Name of the Event: Short Term Training Program

Venue: Room No-218

Timings: 3.30 P.M to 4.30 P.M

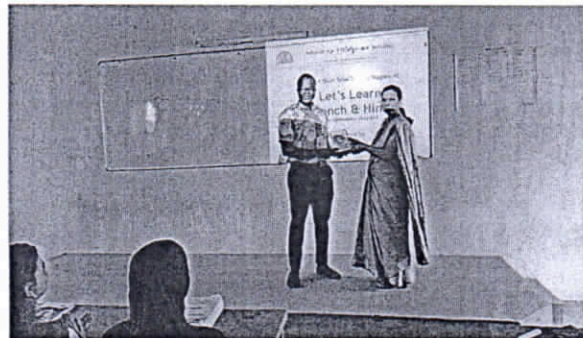

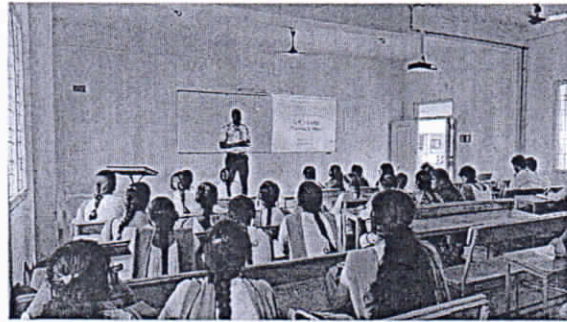

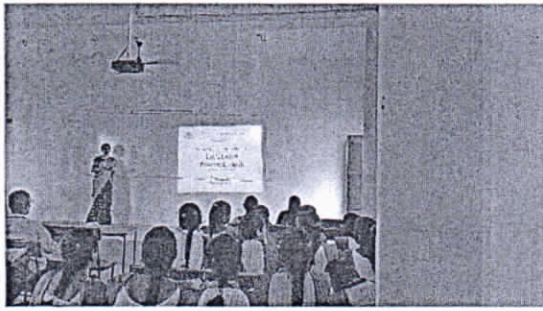

A Two week program was conducted on "Let's Learn French & Hindi" from 03/02/2020 to 15/02/2020 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Mr. SaibaNyampa, Student of CSE, ACOE, Surampalem and U. Sai Sri Ramya, JNTUK were the resource persons. Mr. Deepak Reddy, Student of II ECE initiated the programme and welcomed the guests and all the students. The French classes by Mrs. Saiba commenced from 03/02/2020 to 08/02/2020 followed by Hindi classes by Ms. U.S.S. Ramya from 10/02/2020 to 15/02/2020. On 15th February 2020 a Test was conducted and feedback was taken by the students. Ms. Bharathi, Student of II ECE concluded the session with vote of thanks. The guests were honored with a memento as a mark of gratitude for accepting the invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Foreign languages provide a competitive edge in career choices whereas Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme. The students were divided into 2 batches based on the language they selected. One batch for French and other batch for Hindi.

The basic conversation skills in the corresponding language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.

Report on One Day Program on "English Language Skills - Importance"

Date of the Event : 24th January 2019
Name of the Event : Guest Lecture on "English Language Skills Importance"
Venue : Seminar Hall, 2nd Floor, C.V.Raman Bhavan
Date : 24/01/2019
Guest Speaker : Ms. B.L.Ratna Valli, Associate Professor of English, H&BS, GIET

A One day program was conducted on "English Language Skills Importance" on 24th January 2019 at Seminar Hall, C.V. Raman Bhavan for II B.Tech students. Ms. S. Swapna, Student of II EEE welcomed the guest and all the students to the gathering. The resource person for the event was Ms. B.L. Ratna Valli, Associate Professor of English, GIET, Rajahmundry. After the brief introduction of the resource person, she took reins of the event. She explained about Importance of English Language skills. She also explained how it will be helpful to enrich communication skills. Mr. Ch.Abhilash, Student of II ECE concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for success through its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering & Technology

Aditya College of Engineering & Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

ABOUT STTP

Foreign languages provide a competitive edge in career choices: one is able to communicate in a second language. Foreign language study enhances listening skills and memory. Foreign languages expand one's world view and limit the barriers between people: barriers cause distrust and fear.

Hindi is the most commonly spoken language in India, which solidifies its place as one of the most important languages of south-east Asia.

Hindi is spoken by around 260 million people across the globe as a native tongue, with another estimated 120 million people use Hindi as a second language in countries such as India and Nepal.

Due to its vast number of speakers, Hindi is considered to be the fourth most-spoken language in the world, behind languages such as: Chinese, Spanish and English.

Report on Short Term Training Program

Duration of the Event: 08/06/2018 to 22/06/2018

Name of the Event: Short Term Training Program

Venue: Room No-218

Timings: 3.30 P.M to 4.30 P.M

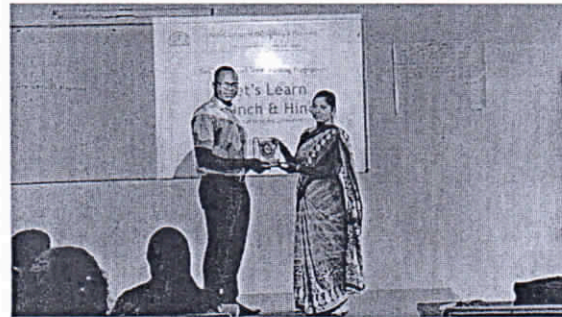

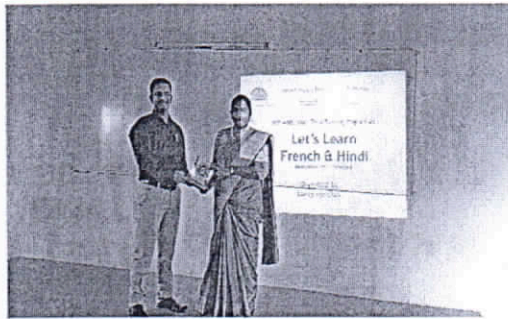

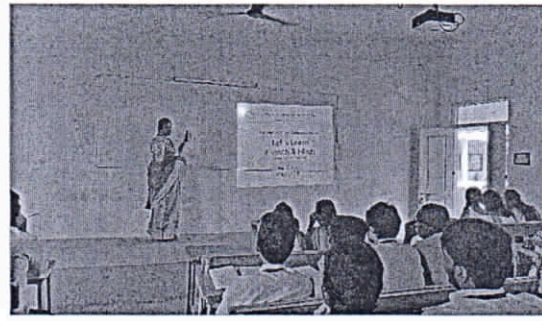

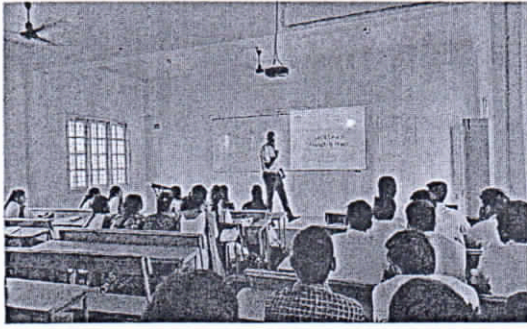

A Two week Short Term Training Program (STTP) was conducted on "Let's Learn French & Hindi" from 08/06/2018 to 22/06/2018 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Mr. Ch. Abhilash, Student of II ECE welcomed the guest and all the students. The resource persons for the event were Mr. SaibaNyampa, Student of CSE, ACOE, Surampalem and Ms. P. Swarna Latha, Asst. Professor, ECE, ACET. French classes by Mr. Saibacommmenced from 08/06/2018 to 15/06/2018 followed by Hindi classes from 16/06/2018 to 22/06/2018 by Ms. P. Swarna Latha. On 22nd June 2018, a Test was conducted and feedback taken from the students. Ms. Reshma, Student of II ECE concluded the session with vote of thanks. The guests were honored with a memento as a mark of gratitude for accepting our invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Foreign languages provide a competitive edge in career choices whereas Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme. The students were divided into 2 batches based on the language they selected. One batch for French and other batch for Hindi.

The basic conversation skills in the corresponding language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.

Report on One Day Program on “Improve Vocabulary to Sound Smarter”

Event : Guest lecture on “Improve Vocabulary to Sound Smarter”

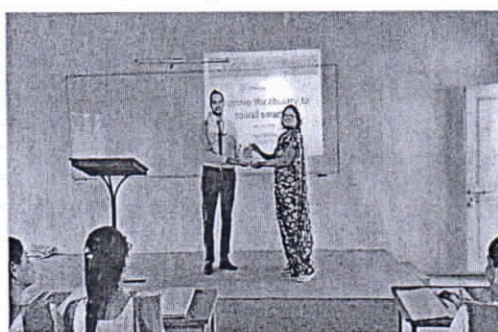

Venue : Seminar Hall, 2nd Floor, C.V.Raman Bhavan

Date : 29/12/2017

Time : 10:00AM to 04:00PM

Guest Speaker: Ms. J.M. KanthiThilaka, Asst. Professor of English, GIET College of Engineering, Rajahmundry.

A One day program was conducted on “Improve Vocabulary to Sound Smarter” on 29th December 2017 at Seminar Hall, C.V. Raman Bhavan for II B.Tech students. Ms. M. Sirisha, Student of II CSE welcomed the guest and all the students. The resource person for the event was Ms. J.M. KanthiThilaka, Asst. Professor of English, GIET College of Engineering, Rajahmundry. After the brief introduction of the resource person, she took reins of the event. She explained about the importance of vocabulary and sentence constructions to communicate well. Ms.P. Raja Lakshmi, Student of II IT concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for success through its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering & Technology

Aditya College of Engineering & Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

ABOUT STTP

Hindi is the most commonly spoken language in India, which solidifies its place as one of the most important languages of south-east Asia.

Hindi is spoken by around 260 million people across the globe as a native tongue, with another estimated 120 million people use Hindi as a second language in countries such as India and Nepal.

Due to its vast number of speakers, Hindi is considered to be the fourth most-spoken language in the world, behind languages such as: Chinese, Spanish and English.

Report on Short Term Training Program

Duration of the Event: 12/02/2018 to 17/02/2018

Name of the Event: Short Term Training Program

Venue: Room No-218

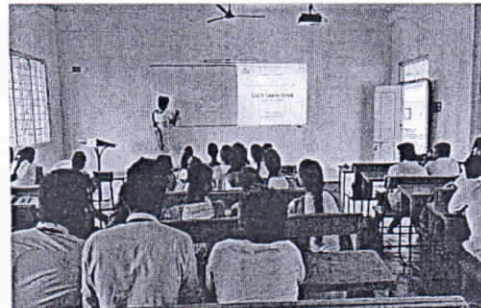

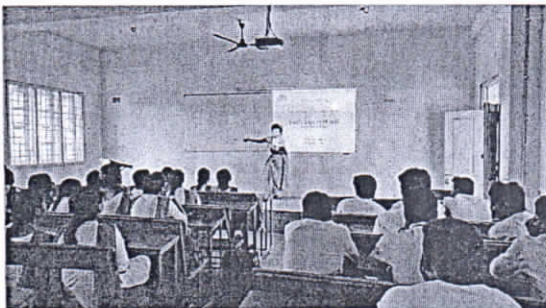

Timings: 3.30 P.M to 4.30 P.M

A One week Short Term Training Program was conducted on "Let's Learn Hindi" from 12/02/2018 to 17/02/2018 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Mr. Mr. Surendra, Student of II ECE welcomed the guest and all the students to the gathering. The resource person for the event was Ms. Sneha M. Joseph, Asst.Professor, ECE, ACET. On 17th February 2018, a Test was conducted to the students. Feedback also taken from the students. Ms. Priyanka, Student of II ECE concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East Asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme.

The basic conversation skills in Hindi language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.

ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for success through its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering & Technology

Aditya College of Engineering & Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

Report on Short Term Training Program

Duration of the Event: 06/02/2017 to 11/02/2017

Name of the Event: Short Term Training Program (STTP)

Venue: Room No-218

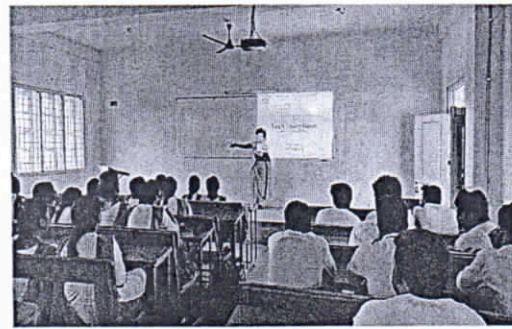

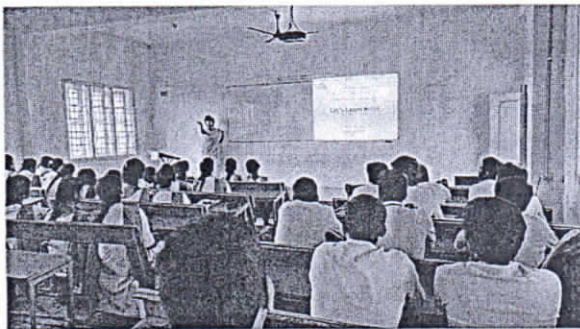

Timings: 3.30 P.M to 4.30 P.M

A One week Short Term Training Program was conducted on "Let's Learn Hindi" from 06/02/2017 to 11/02/2017 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Ms. Mahalakshmi, Student of II ECE welcomed the guest and all the students to the gathering. The resource person for the event was Ms. Sneha M. Joseph, Centre Co-Ordinator, Coastal Prosoft Pvt. Ltd, Kakinada. On 11th February 2017, a Test was conducted to the students. Feedback also taken from the students. Mr.BH. Sainath, Student of II ECE concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme.

The basic conversation skills in Hindi language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.
