REF: Feedback analysis report.

I am principal of Aditya College of Engineering & Technology here by requesting you to consider the following suggestions of our faculty members regarding the curriculum of academic year 2020-2021. The suggestions were made based on the feedback collected from various stakeholders. We are sure that the implementation of these modifications can be useful for a better curriculum to enhance the technical exposure in the students. The details of the subjects and need of modifications were attached below. Kindly go through the details and may be adopted.
