9.	For effective performances, the curriculum must be updated.	0%	2.4	97.6	0
10.	Students are able to analyze the facts and make sound decisions	50	50	0	0
11.	Suggestions if any				

Observations on the Employer feedback

1. Introduce Industry oriented courses
2. Students should be trained on employability skills

Action taken report of Feedback Analysis for 2020-21

Feedback is crucial information that will be utilized to make key educational decisions. The institution uses the feedback mechanism to improve the quality of the curriculum and teaching learning environment. Aditya College of Engineering and Technology collects feedback from teachers, students, and employers in order to make better decisions on how to enhance and improve the institution's performance and quality. The feedback collected from the stakeholders is analyzed and actions are initiated. The details are given in the below table.

S. No.	Feedback	Action taken
1	More industry relevant courses needs to be introduced	Considering the needs of the Industry, the College has initiated Training Programs, Certificate Courses, and Value added courses. In considering the feedback of the stakeholders, the institute will start few more courses.
2	Introduce skill oriented courses	In the R20 regulation of JNTUK Kakinada, University has introduced skill oriented courses and the Departments have initiated the same.
3	Offer interdisciplinary courses	Interdisciplinary courses are adopted through Open Elective courses
4	Students' participation in live projects, debates, and seminars should be valued appropriately.	College has made MoUs with different organizations to offer live projects, internships and field projects.
